

## Submission Instructions

---

Manuscripts can be submitted through the online [manuscript submission and peer review system](#).

Authors are required to send a covering letter along with the manuscript undertaking that, "manuscript has not been published so far/communicated to some other journal". The cover letter should include the corresponding author's full address, email ID and telephone/fax numbers.

**Before submission authors should ensure the manuscript format as per the JAPS guidelines.**

### **Final check list for the manuscript submission:**

1. Manuscript has been arranged as per author's guidelines.
2. Is the covering letter attached?
3. Photographs should be submitted in JPG/TIF format as separate attachment.
4. Authors are aware of JAPS [publication policies](#).

An acknowledgement for manuscript submission will be sent to the author through e-mail
